Case No. 2:24-CR-00164-DC-4

**CONSENT TO MODIFY CONDITIONS OF RELEASE**

I, Mulan Precious Keophimanh, have discussed with Monica Bentley, Pretrial Services Officer, modifications of my release conditions as follows:

Add the following condition of release:

15. You must participate in the Better Choices court program and comply with all the rules and regulations of the program. You must remain in the program until released by a pretrial services officer. In accordance with this condition, you must appear before the Honorable Jeremy D. Peterson, Courtroom 9, on a date to be determined.

Reason for modification:

On December 23, 2024, and May 6, 2025, Ms. Keophimanh submitted urine samples that tested positive for benzoylecgonine (a cocaine metabolite). These results were confirmed by the national laboratory. Ms. Keophimanh has a difficult time communicating and initially was not forthcoming about her substance use. However, after further discussion and assistance from defense counsel, Ms. Keophimanh admitted her drug use and proactively requested placement in the Better Choices Court program. Pretrial Services also increased her drug testing and is working with her counselor to ensure she has the support she needs. In consideration of her honesty and willingness to engage in additional services, Pretrial Services recommends that Ms. Keophimanh participate in the Better Choices Court program in lieu of proceeding with a formal violation hearing.

The Government was advised of Ms. Keophimanh's positive drug test results and does not object to Pretrial Services' proposed plan of action or the requested modification of conditions. The Court was also notified of Ms. Keophimanh's positive drug test results and the Government's position, and subsequently authorized Pretrial Services to proceed with modifying conditions to enroll Ms. Keophimanh in the Better Choices Court program in lieu of formal violation proceedings.

Pretrial Services concurs with the modification. All other conditions shall remain in full force and effect.

I consent to this modification of my release conditions and agree to abide by this modification.
